ABOUT COSENTINO

Cosentino is a multinational leader in quartz and natural stone surfaces that responsibly develops innovative, high value surfaces. Its activity focuses on the design, production and distribution of surfaces for kitchens and bathrooms based on innovative solutions that add design, value and brand.

With over 3.000 employees worldwide and a presence in over 52 countries, COSENTINO is a family business consortium financed entirely with Spanish capital. Its development is based on international expansion and an innovative research programme, which lets it use the most advanced technology to obtain new materials.

ACERCA DE COSENTINO

Cosentino es una empresa multinacional líder en superficies de cuarzo y piedra natural que desarrolla productos innovadores y de gran valor de manera responsable. Su principal actividad es el diseño, la producción y la distribución de superficies para cocinas y baños basadas en soluciones innovadoras que añaden diseño, valor y lealtad a la marca.

Además, cuenta con más de 3000 empleados en todo el mundo y está presente en más de 52 países. COSENTINO es un negocio familiar financiado completamente con capital español. La base de su desarrollo son sus programas de expansión internacional e investigación innovadora, gracias a los cuales puede utilizar la tecnología más avanzada para la obtención de nuevos materiales.

WHAT IS SCALEA?

Scalea® by Cosentino is the brand that encompasses Cosentino Group's entire range of natural stone products. Scalea® is a new way of understanding and working with materials. It is a commitment to innovation and creativity, to the most advanced designs and for the improvement of features.

Scalea is the name of the Italian town from where the Cosentino family originates. A comprehensive statement of intent: tradition, roots and commitment. Various types of stone are grouped under the name Scalea: Marble, Granite, Travertine...

Scalea is currently distributed on five continents, and architects and designers around the world have placed their trust in our stone for the most varied and complex projects that include airports, shopping centres, exhibition halls, residential buildings, villas, hotels, and so on.

QUÉ ES SCALEA?

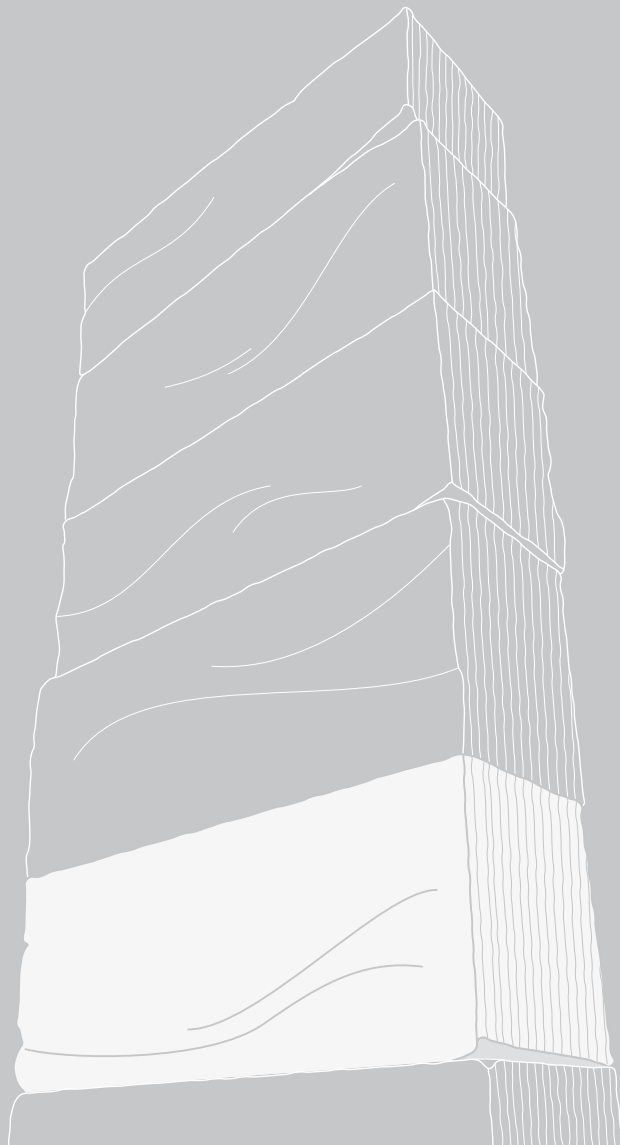

Scalea® by Cosentino es la marca que engloba todas las gamas de productos de piedra natural del Grupo Cosentino. Scalea® es una nueva forma de comprender y trabajar los materiales. Se trata de un compromiso con la innovación y la creatividad que tiene como objetivo garantizar diseños más avanzados y la mejora de las características del producto.

Scalea es el nombre de la ciudad italiana de donde es originaria la familia Cosentino, además de toda una declaración de intenciones: tradición, raíces y compromiso. Bajo el nombre Scalea se agrupan varios tipos de piedra: mármol, granito, travertino...

En la actualidad, Scalea se distribuye en cinco continentes, y arquitectos y diseñadores de todo el mundo han depositado su confianza en estos productos para utilizarlos en todo tipo de proyectos, desde aeropuertos y centros comerciales a recintos feriales y edificios residenciales, pasando por villas, hoteles, etc.
